

# Safety

If the fire alarm goes off, please:

- Make your way out of the library. Do not return to collect your belongings.
- Do not re-enter the building unless you are informed by a Senior Member of Staff that it is safe to do so.

12th - 16th August 2024

# Year 7 Trip to Região dos Lagos

The curriculum and beyond

- **7G What a waste:** solving waste and recycling - Effluent Treatment Plant Araruama & Beach clean
- **7H Materials from the Earth:** geology and topography.

# Beyond the curriculum

The background image shows two individuals silhouetted against a bright blue sky with scattered white clouds. They are performing aerial stunts on a series of ropes. The person on the left is in a horizontal, inverted position, holding onto a rope with both hands. The person on the right is also inverted, with their legs raised and arms extended, appearing to be in a more dynamic or acrobatic pose. The ropes are thin and stretch across the frame, creating a grid-like pattern against the sky.

- Cultural Capital
- Unforgettable experiences
- Self-confidence & independence
- Teamwork and leadership
- Curiosity

# No mobile Phones

---

- Year 7 students will **not** be allowed to take a **mobile phone** on the school trip.
- Daily communication will happen by a teacher with parents via **Telegram** Messenger.
